

Bishop Kelley High School Swimming Records/Best Times - Boys

updated August 10, 2016

Since the late 1970's, Bishop Kelley has always had individuals who participated in swimming. In the mid-1980's, the team was alive and well with many members – though still a “club” status. The teams also had local coaches. In the 1990's and the early 2000's, there wasn't necessarily a team but individuals were welcome to compete in the OSSAA sport. Faculty members served as BK's representatives at meets and at state. In 2008, that status officially changed. Melissa Powell '99 who had been assisting with the program since 2006, was named BK's first “official” coach. Dan Schmitz '77 (and teacher at BK) began searching for swimming records. He looked in yearbooks and state swimming programs. A list was compiled and then records broken were added to the list. Those first records will remain on this list. They provide historical information and honor those swimmers who paved the way for the program today. Names in red reflect those students who are currently on the Swim Team.

<u>Event</u>	<u>Boys</u>	<u>Time</u>	<u>Season</u>	<u>Meet</u>	<u>Pool</u>
